

PDD launches Special dues clearance Drive at Baramulla

Baramulla, 26 March: Power Development Department Division Baramulla today launches a special electricity dues clearance drive for traders and other commerce related ventures.

The drive is launched in view of closure of financial year 2017-18 wherein the officials of concerned department approaches the trader along with the Point of Sale (PoS) machine. The shopkeeper/trader uses his ATM card to clear the requisite electricity dues.

"The drive has been launched as part of Digital India initiative so that customers can get their dues cleared in a hassle free manner", said Executive Engineer Division Baramulla Farooq Ahmad. He further said that it will help them from other inconveniences as there is heavy rush of people in banks now a days due to financial closing.
