

DC visits old town Bla, Reviews Decongestion process

Baramulla, 24 July: Deputy Commissioner Baramulla Dr Nasir Ahmad Naqash accompanied by various officers today visits old town Baramulla to review the pace and position of Decongestion process and other developmental projects undertaken by various executing agencies in the locality.

On the occasion, the DC thoroughly enquired about the position of the Decongestion mechanism from the concerned. He took reviews of the progress of work on the construction of shopping complex wherein he stressed for accelerating the pace of work so that the project is completed at an earliest. He also reviews other facilities available in the area including Drianage system, sanitation and other components of public importance.

Meanwhile, the DC met several deputations during his visit where the people appraised the DC about grievances besides forwarding their demands for the development of the area. The people demanded establishment of community centres, construction of public toilets, widening of inner as well as main roads, beautification of jhelum embankment, restoration of street lights, proper drainage system and demanded other projects of vital public importance.

The DC had a patient hearing of the grievances and assured them that their grievances as well as demands will be taken up with the concerned authorities for their early redressel. He also issued directions to the accompanying concerned for solving the problems of people of the area. The DC sought public cooperation and said that development of the region is not possible without public support.

Meanwhile, the people expressed gratitude and satisfaction of the DC for paying visit to the area and listening their grievances.
